

BIBLE SCHOOL®

A PUBLIC SCHOOL MINISTRY

BIBLE CLASSES FOR CHILDREN DURING THEIR PUBLIC SCHOOL DAY

Bible2School provides free Bible classes to elementary school children DURING their public school day. The children walk or are bused to a nearby church or partner location where trained volunteers engage the children in worship, Bible stories, lessons, activities, and prayer.

Kids are waiting to hear Biblical truth!

CUMC is excited to host this vital ministry with the 3rd graders from Cornwall Elementary School beginning Fall 2024! This will be a blessing for the students, families, school, and community; but, we need your help! We make it simple with a time commitment of just once a week for about 2 hours. For more info contact Sandy Snyder, Jean Bonneville, or Nancy Spotts.

Make an eternal impact by volunteering with Bible2School!
